LET'S TALK MONEY, HONEY!

Use these conversation starters to learn about your partner's relationship with their finances.

AT THE BEGINNING OF A RELATIONSHIP

What would you do if you were given \$100,000?

Do you have financial expectations for your partner? If so, what are they?

What role does money play in your life today?

What was your family's financial savings plan? Did you agree or disagree?

WHEN YOU'VE BEEN DATING A YEAR

Do you have any outstanding debts? If so, how are you working to pay them down?

How do you plan to grow your assets in the future?

Do you follow a strict monthly budget? What do you prioritize?

What's the worst financial mistake you've made? What did you learn?

WHEN YOU'RE THINKING OF MOVING IN

How much do you save each month and what is your current net worth?

When do you think it's appropriate to combine finances in a relationship?

In a relationship, should the partner who makes more contribute more?

Is there anything about my attitude towards finances that bothers you? If so, what?

WHEN ENGAGEMENT IS ON THE HORIZON

How much do you think is reasonable to spend on an engagement ring?

If we become parents, should we both work full-time jobs?

What financial actions do we need to take to set our family up for success?

Do you have financial obligations to family members, or foresee any in the future?
